

Summer Camp 2011

Benefits of horse riding

- Advances overall social interaction with other children.
- Promotes rhythm and balance and ensures a good posture in the child.
- Helps with the brain\ hand function giving good co- ordination.

Summer camp operates Monday to Friday 10am until 4pm

- The child will learn everything involved in owning their own pony should the occasion ever arise to do so and ride twice daily.

Dates

- Week 1 commences – 27th June – 1st July
- and every consecutive Monday to Friday throughout July and August ending on 22ndAug – 26th Aug

The Price of this week of heaven at Lenamore Stables is available from as little as €150 per child per week!
